## International Instructors:

Minneapolis, MN  
&  
Toronto, Canada

## Peter Ström & Caitlin Geörge

Peter and Caitlin have been featured instructors at workshops and camps all over the US, Europe, Australia, and more. Since 1999 they have both competed and won at various national competitions. Most recently, they were judges at ALHC and the US Open. Competitions and titles aside, Peter and Caitlin are first and foremost social dancers. With this in mind, their classes focus on solid lead/follow technique as the road to finding one's own unique style. Their simple philosophy, based on momentum, connection, and rhythm helps their students to learn more than a bunch of cool moves. In their classes, Peter and Caitlin share their love of Lindy Hop with their students, helping them enjoy the dance on a deeper level and becoming more connected to the music and their partner.

## Hasse & Marie

Hasse Mattsson and Marie Nahnfeldt have been dancing and teaching together for many years. This phenomenal couple has entered far too many competitions to mention but amongst their accomplishments they are 4 times Swedish Champions in Boogie Woogie (1998-2001) and have danced in three Boogie Woogie World Championships finals. They have worldwide dancing and instructing experience and appear on the teaching line up of many established boogie and lindy dance camps including Herrang and Camp Hollywood. Hasse and Marie have an amazing energy which along with their good humor and lunatic tendencies make them great instructors and wonderful people.
